# WYE MARSH ADOPT-A-SWAN

Not long ago the Wye Valley was silent. The Trumpeter Swan had not been seen in this area for over 200 years. Now, the Valley resonates with the triumphant call of this majestic species!

Establishing and monitoring a growing and healthy population of Trumpeter Swans is a costly and on-going task.

**Your donation will contribute towards feeding, monitoring, and continued research of the Trumpeter Swans at the Wye Marsh.**

## ANNUAL GIFT

An annual gift of \$300 will assist the Wye Marsh in feeding the swans during the harsh winter months.

Please consider this annual gift as the way to ensure this species' numbers continue to increase and their presence remains without end.
