### **FOR IMMEDIATE RELEASE**

## **WYE MARSH RECEIVES \$6,000 FROM THE NATURAL SCIENCE AND ENGINEERING RESEARCH COUNCIL OF CANADA PROMOSCIENCE FUNDING**

Wednesday, June 17, 2009

On May 15, 2009 at the Canada Wide Science Fair in Winnipeg it was announced that Wye Marsh was one of 52 recipients for the PromoScience Grant awarded by the Natural Science and Engineering Research Council of Canada (NSERC). Wye Marsh received \$6,000 in 2008 to assist in updating education programs further aligning them with new school curriculum.

The NSERC funding provides financial support towards program improvements including content, delivery or new programs and activities. NSERC is dedicated to organizations working with young Canadians, promoting hands-on learning experiences within the science and engineering education.

As an environmental stewardship education centre, Wye Marsh is pleased to offer teachers, students and the general public more current and curriculum related programs.

-30-

Wye Marsh is a non-profit charitable organization dedicated to operating year-round programs for the public, students and other organizations to promote awareness, appreciation, understanding and enjoyment of our environment and wildlife resources in the Wye Valley.
